

# G PRIMING

# 4 PUT ON SOME SUNSCREEN

The number one vacation must-have? Sunblock, of course! Here's your protection prescription, tailored to your destination

A pink sequined bikini like Ciara's calls for a major SPF cover-up.

## BEACH-BUMMING IN BORA BORA

Jetting off to a tropical hot spot for a week of waterside lounging? Stock up on high SPFs and broad-spectrum shields to fend off both UVA and UVB rays.

## SIGHTSEEING IN PARIS

Soak up the culture, not the solar radiation. Swapping your regular moisturizer for light SPF lotion keeps you covered as you hop from museum to landmark.
